

Redefining Algorithm!

GIGFOLIOO TECHNOLOGIES PRIVATE LIMITED

Connecting You & Technology

Backed by a decade of industry expertise, we have the IT proficiency and proactive mindset to take your business to the next stage of growth.

Business Beyond Borders Amplifying Your Online Visibility

Rubaitul Azad, a highly experienced freelancer with over a decade of active engagement in the freelancing landscape, has gained profound insights into the difficulties faced by both individuals and businesses in the spheres of technology and online presence.

In 2022, Rubaitul Azad took a bold step to address these challenges head-on. He introduced 'Gigfolioo Technologies,' a comprehensive solution aimed at helping businesses achieve sustained growth and success by simplifying technology and enhancing online visibility.

OUR VISION

Tech- Evolution in Every Sector

Our vision goes beyond merely keeping up with the digital age– it is to propel it forward, to redefine its very essence. We lead the charge in ushering a new era of technological evolution that transcends industry boundaries. Technology emerges as a transformative force, enhancing every sector it touches.

We aspire to create a world where technology serves as a facilitator, a source of unity, and a beacon of hope, revolutionising the way we live, work, and engage with one another.

OUR MISSION

From Expertise to Excellence! Innovative Tech Solutions

Our mission is to transform the unimaginable into the achievable, empowering individuals and businesses to reach greater heights, and attain the exceptional. We embrace the limitless potential of technology, forging a more brilliant and interconnected future for everyone.

Clients & Countries

We have experience in solving problems for clients from different countries.

CEO Taking The Stage

Making a Debut on National TV

In 2022, We are thrilled to be featured on national television (Doordarshan) for the first time, and CEO's mission is to raise awareness about freelancing in Jammu & Kashmir. Freelancing has the potential to open up new economic opportunities for people living in Jammu & Kashmir.
